Meet the team!

Hello from the Stockton Riverside College Schools Team!

We want to let you know we are here to help you as restrictions start to ease in any way that we can. Remember that although your exams have been cancelled your place at Stockton Riverside College hasn't.

We know everyone is very keen to get started with us in September, and we can't wait to see you all then! We've developed these workbooks to help support you and help you fine-tune your knowledge and skills before you join us. Working closely with course tutors, we've come up with some tasks to help ensure you're up to speed once you start with us in September. We'll also be sending out more guides and top tips to get you started before you enroll!

Don't forget to follow us on our social channels for regular updates, competitions and campus news. Every Tuesday the Schools Team host weekly course takeover Q&A sessions to answer any questions you may have! We hope you're as excited as we are for you to start your journey with us. If you have any questions, please get in touch via social media or check out our website for FAQs and latest updates relating to government guidelines.

We hope to see you soon!

Firstly, all of us would like to congratulate you on the acceptance of your chosen course. We eagerly await to meet you in the coming months!

We continue to find ourselves in unfamiliar times, so let's focus on the future and the journey you will soon be beginning. This booklet contains several different activities to complete. The following tasks are aimed at preparing you for your new chapter. Please email your completed work to adam.howe@the-etc.ac.uk Good luck!

Hello Everyone! Hope you are all well!

I am setting you some work to get on with that you can use on your first project when we start college!

Here is some work posted by INKTOBER which was established by the illustrator Jake Parker. You can and should follow both on Instagram.

Over the last few months Jake Parker has set a prompt words to inspire artists and designers to produce their drawings.

The word for this work was simply the word **BLUE!**

Your task is the following:

1. You must produce a beautiful page of drawings and illustrations based on the prompt word BLUE.

2. You must then produce another page of drawings based on the word RED or YELLOW you chose!

You can draw characters, food, plants, animals, people, flowers, objects in your house!

Think about display on the page just like this one. Enjoy!

Liz
