## TV & FILM

### Meet the team!

**Hello from the Stockton Riverside College Schools Team!**  
We want to let you know we are here to help you as restrictions start to ease in any way that we can. Remember that although your exams have been cancelled your place at Stockton Riverside College hasn't.

We know everyone is very keen to get started with us in September, and we can't wait to see you all then! We've developed these workbooks to help support you and help you fine-tune your knowledge and skills before you join us. Working closely with course tutors, we've come up with some tasks to help ensure you're up to speed once you start with us in September. We'll also be sending out more guides and top tips to get you started before you enroll!

Don't forget to follow us on our social channels for regular updates, competitions and campus news. Every Tuesday the Schools Team host weekly course takeover Q&A sessions on Instagram to answer any questions you may have! We hope you're as excited as we are for you to start your journey with us. If you have any questions, please get in touch via social media or check out our website for FAQs and latest updates relating to government guidelines.

### We hope to see you soon!

Firstly, all of us would like to congratulate you on the acceptance of your chosen course. We eagerly await to meet you in the coming months!

We continue to find ourselves in unfamiliar times, so let's focus on the future and the journey you will soon be beginning. This booklet contains several different activities to complete. The following tasks are aimed at preparing you for your new chapter. Please email your completed work to [adam.howe@the-etc.ac.uk](mailto:adam.howe@the-etc.ac.uk)  
Good luck!

## Task 1

Your challenge is to create a 60-second film about a really interesting subject... Making a cup of tea. What?!

Well, whether it is an action flick, romantic tale, in-depth documentary, or an amazing musical — we want you to have the freedom to let your creative juices flowing.

The only restriction is that it must be about or include the subject of 'making a cup of tea' and it must be 60 seconds.

You will have to cut any unnecessary parts, dialogue, or time because the whole thing has to be shorter than the time it takes to boil a kettle.

## Brief

Create a film that includes the subject or theme of "Making a cup of tea" (it could be the focus or just a background action. Must be 60 seconds long. Can be any genre (thriller, romance, action, comedy, silent film, etc.).

Must be filmed using your phone (But edited in any way you wish). Can NOT include stock footage.

Send them across to us when completed via email to [Kelly.fairhurst@stockton.ac.uk](mailto:Kelly.fairhurst@stockton.ac.uk) and we will send you some feedback and another challenge to get those creative juices flowing! We can't wait to see what you come up with.
