Approximately 26,000 workers will be required in the UK for skilled trades occupations.

Source: DfE Labour market and skills projections 2020 to 2035. Inc replacing retired workers
Geography: North East LEP area

“

“I started on the level 2 course last year and have progressed onto the T Level this year. I wanted to continue in bricklaying as it is something I have always been interested in. I love the practical aspect of it and have developed great relationships with my tutors.”

Adam,
T Level in Bricklaying
