Approximately 26,000 workers
will be required in the UK for
skilled trades occupations.

*Source: DfE Labour market and skills projections 2020 to
2035. Inc replacing retired workers*

Geography: North East LEP area

“

*“I am on a
scholarship and
doing Level 3
Engineering. I am
enjoying the course
so far because I’ve got to
meet new people and people
I already knew and get to do
what I enjoy.”*

Daniel,
Level 3 Engineering

”
