

14-16 PROVISION

At Stockton Riverside College we offer a wide range of level 1 vocational qualifications for young people who would be in the school year 11. These courses are a perfect next step into further education, supporting young people to develop confidence, communication skills and vocational abilities in a subject area from the range of courses listed below.

For young people in the school year 10 we offer The King's Trust Achieve programme developing those fundamental skills needed to develop self-esteem, team building, problem solving and communication skills. Alongside this, taster sessions can

be offered to try out vocational subject areas to support progression into the next academic year.

All learners who do not have a grade 4 GCSE in maths and English or Functional Skills Level 2 will study maths and English alongside their main programme.

The college offers a range of support services to assist young people in making the transition into further education and opportunities to engage in wider enrichment activities within the college environment.

Courses include:

- 14-16 Elective Home Educated Provision
- King's Trust Achieve Programme*
- Level 1 Award and Diploma in Art, Design and Media
