Meet the team! Conor, Abigail and Sarah

Hello from the Stockton Riverside College Schools Team! We want to let you know that we are still supporting you in any way we can throughout these uncertain times. Remember, just because your exams were cancelled your place at Stockton Riverside College wasn't.

We know everyone is very keen to get started with us in September, and we can't wait to see you all then! To support you and help you fine-tune your knowledge and skills before you join us, we've developed these workbooks. Working closely with course tutors, we've come up with that will make sure you're up to speed once you start with us in September. We'll also be sending out more guides and top tips to get you started before you enrol! If you have any questions about the booklet, then don't hesitate to get in touch with us or your course tutor.

Don't forget to follow us on Instagram (@stocktonriversidecollege) for regular updates, competitions, campus news. The Schools team host weekly course takeover Q&A sessions, answering the questions you may have every Thursday! We hope you're as excited as we are for you to start your journey with us if you have any questions, please get in touch via social media or check out our website for FAQs and latest updates relating to government guidelines.

We hope to see you soon!

Firstly, all of us would like to congratulate you on the acceptance of your chosen course. We eagerly await to meet you in the coming months!

We all currently find ourselves in unfamiliar times, so let's focus on the future and the journey you will soon be beginning. Below you have been given several different activities to complete. The following tasks are aimed at preparing you for your new chapter. Good luck!

Hello Everyone! Hope you are all well!

I am setting you some work to get on with that you can use on your first project when we start college!

Here is some work posted by INKTOBER which was established by the illustrator Jake Parker. You can and should follow both on Instagram.

Over the last few months Jake Parker has set a prompt words to inspire artists and designers to produce their drawings.

The word for this work was simply the word **BLUE!**

Your task is the following:

1. You must produce a beautiful page of drawings and illustrations based on the prompt word **BLUE**.

2. You must then produce another page of drawings based on the word **RED** or **YELLOW** you chose!

You can draw characters, food, plants, animals, people, flowers, objects in your house!

Think about display on the page just like this one. Enjoy!

Liz
