GAMES DESIGN

Meet the team! Conor, Abigail and Sarah

Hello from the Stockton Riverside College Schools Team! We want to let you know that we are still supporting you in any way we can throughout these uncertain times. Remember, just because your exams were cancelled your place at Stockton Riverside College wasn't.

We know everyone is very keen to get started with us in September, and we can't wait to see you all then! To support you and help you fine-tune your knowledge and skills before you join us, we've developed these workbooks. Working closely with course tutors, we've come up with that will make sure you're up to speed once you start with us in September. We'll also be sending out more guides and top tips to get you started before you enrol! If you have any questions about the booklet, then don't hesitate to get in touch with us or your course tutor.

Don't forget to follow us on Instagram (@stocktonriversidecollege) for regular updates, competitions, campus news. The Schools team host weekly course takeover Q&A sessions, answering the questions you may have every Thursday! We hope you're as excited as we are for you to start your journey with us if you have any questions, please get in touch via social media or check out our website for FAQs and latest updates relating to government guidelines.

We hope to see you soon!

Firstly, all of us would like to congratulate you on the acceptance of your chosen course. We eagerly await to meet you in the coming months!

We all currently find ourselves in unfamiliar times, so let's focus on the future and the journey you will soon be beginning. Below you have been given several different activities to complete. The following tasks are aimed at preparing you for your new chapter. Good luck!

Hey Guys! There's a new challenge:
"Six Fanarts Challenge" (#6Fanarts #SixFanartsChallenge #SRCgamesdev #apta_src) on social media!

Don't miss it, grab your pencil and join the fun!

What is Six Fanarts Challenge?

Six Fanarts is an Art Challenge where artists draw 6 characters usually suggested by other people. You can start off with your own six first if you like and post it on instagram to get further suggestions...?

The artists usually post on their social medias' (eg. Twitter, Facebook, Insta) question, and then pick out from post's comments the following characters to draw.

The artists use a template for this challenge where they paste into squares their previously drawn fanarts, or draw directly on the template.

There are no rules to what art materials you have to use, skies the limit. Try and create a board a week if you can, be inspired, do your best and have FUN!

Remember to post these hashtags if you want to participate in the challenge.

Hashtags: #6Fanarts #SixFanartsChallenge #SRCgamesdev #apta_src #stocktonrivesidecollege

Six Fanarts Disclaimer

Melissa (Six Fanarts Challenge creator) posted a disclaimer. You can read it here: Six Fanarts Disclaimer (https://docs.google.com/document/d/1bG9pbK9r3EFv5knzArdcT5x-Tn_51wP0FBwG0eZiqs/edit).

Briefly, you do not have to credit Melissa when you post your artwork. She asks to leave a credit on the template so that people can find the original template. But it's not mandatory. You can create your own template.

* Credit Melissa if you want her to see your artwork. She loves to see what everyone is drawing, and it will certainly be a kind gesture:
